

REMARKS

Claims 1-14 are pending in this application. By this Amendment, claims 1 and 3 are amended; and claims 11-14 are added. Claims 1 and 3 are amended to clarify and more positively recite the feature of the "recesses" - *i.e.*, the recesses (8) in the housing member and the recesses (10) in the revolver. No new matter is added. Claim 1 is the sole independent claim.

Favorable reconsideration of this application, in light of the preceding amendments and following remarks, is respectfully requested.

NEW CLAIMS

Claims 11-14 have been added in an effort to provide further, different protection for Applicants' invention. No new matter is added as support for claim 11 may be found in at least paragraph [0014] in the corresponding published application; and support for claims 12-14 may be found in at least paragraph [0024] in the corresponding published application. Further, claims 11-14 recite the features as found in an alternative example embodiment of FIG. 2

Moreover, claims 11-14 are allowable at least for the reasons somewhat similar to those given for claim 1, and/or for the further features recited therein.

CONCLUSION

In view of the above remarks and amendments, Applicants respectfully submit that each of the pending objections and rejections has been addressed and overcome, placing the present application in condition for allowance. A notice to that effect is respectfully requested. Further, the above remarks demonstrate the failings of the

outstanding rejections, and are sufficient to overcome the rejections. However, these remarks are not intended to, nor need they, comprehensively address each and every reason for the patentability of the claimed subject matter over the applied prior art. Accordingly, Applicants do not contend that the claims are patentable solely on the basis of the particular claim elements discussed above.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned, at the telephone number below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, Dickey, & PIERCE, P.L.C.
